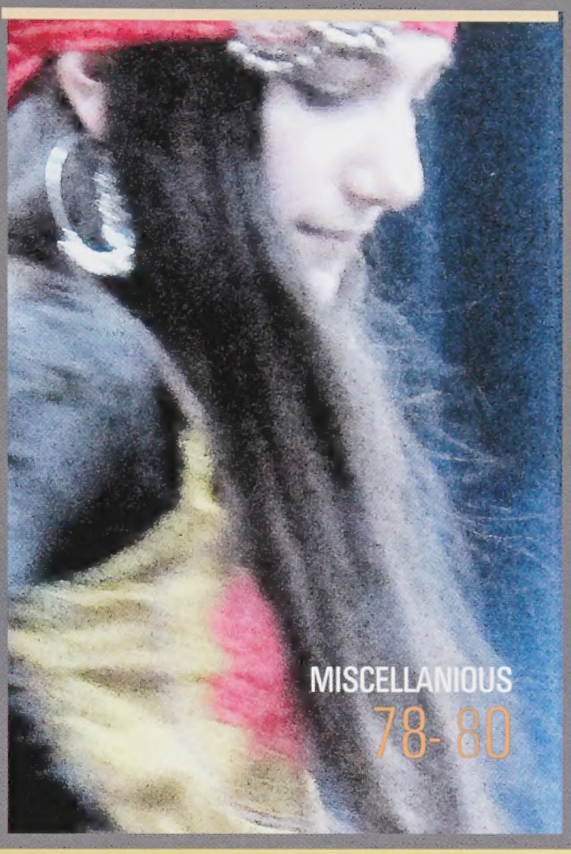
SCHOOL SPIRIT

We tell our own stories.

Mr. Anderson



Grace Semerjian

Shakespeare Trip in Ashland, Oregon

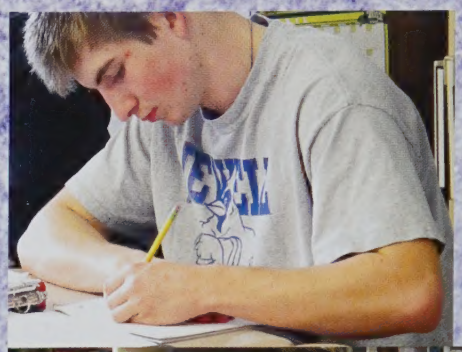
The 2011 - 2012 school year has experienced many changes. With four AP classes, new staff, and foreign exchange students it has been one interesting year. Ipads, and a new grading system are some changes that have increased our school's potential.

With many fun and exciting rallies this year the fun was endless. Different games, cultural learning, and laughter with classmates are some of the things we have experienced this year.

Sports have always been an exciting and intergral part of Jewell school and there was no let down of that this year either. The football team had a winning season, and girl's basketball went into the playoff's.

AP CLASSES

This year AP classes have been giving students the chance to get a look at college level schooling in a high school setting. We have AP Enviromental Science, AP Statistics and AP Pyschology.



What do you like the most about your AP class?

"I like the fact that it challenges you to do more then you usually are."

Randi Harhart

"I really like Mr. Hiebert. He's my favorite teacher, because he helps me to challenge my brain and think differently."

Lleonna Smalley

"I guess it's learning about new things you didn't really know, but thought you knew them."

Katrina Chavera-Munk

AP Statistics has been very good Jewell school because it has taught high school students about the demands for college level math classes. Constantly challenging their ideas of mathematical equations in real life situations.

Mr. Bloker showing the class a problem for AP Statistics.

Luca Schleier preparing before class starts.

Luca Schleier, Thai Curtis and Neal Kaminski hanging out in class

Luca Schleier, Thai Curtis and Neal Kaminski solving some problems on the board; Mr. Bloker explaining a problem from the book; Luca Schleier, Thai Curtis, Neal Kaminski and Sherzod Razhabov helping each other with class work.

Sports section

Senior Chrissy Garrison was Jewell High School's only female football player.

Chrissy Garrison and Dalton Blanchard with their teammates

Jewell School Sports

Sports at Jewell School have helped the community stay connected and form life long bonds with teammates, coaches and parents. Sweat, tears and blood go into shaping our teams each year for the best opportunities to play harder than any other school. Hard work defines the athletes throughout the school year making the Jays proud of their teams. With our athletes overcoming many obstacles this past year Jewell School has supported them and will continue to support them in the future.

Varsity Football

"Football is an honest game. It's true to life. It's a game about sharing. Football is a team game. So is life."

Joe Namath

"There is no defense against a perfect pass. I can throw the perfect pass"

Dan Marino

Best Season in Seven Years

Jewell puts together a winning combination.

Head Coach Mark Freeman used his experience of the past serveral years as assistant coach, along with the talents of Cole Lineman, a new teacher and assisant coach from University of Oregon to dvelop a football team that finished the season with a winning 5-4 record. Although the team wasn't a part of the Casco League this year, it's success will enable it to have a regular season in 2012. Highlights of this season were the win against OSD 48-8, the final win of the season for the Jays. The football team is back!

Kevin Davis from his previous to player. Dad was take a little quarter. The two worked with the team. Dad found love for it each week.

"Gentlemen, it is better to have died as a small boy than to fumble this football."

John Heisman

"Gentleman, this is a football."

Vince Lombardi

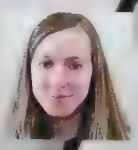
Volleyball

"You may be strong, but we are stronger. If we don't give up, we cannot fail."

- Jewell Volleyball Team

Below: Mrs. Decker and the team in a huddle before the game. Right: Sophomore Chandra Marlow showing off her height on the volleyball court. Far right: Senior Jeannie DiMaggio and Sophomore Alexa Armstrong giving their teammates high-fives.

Girls Varsity Volleyball



"I like the thrill of diving for a ball."

- Rachel Stahly

In a season of tough competition the Lady Jays made it to the district tournament. With hard work through out the whole season the team proved to give the season 11 wins.

"Lady Jays have heart." - Jewell Volleyball Team

What do you like the most about band?

"He picks good music for us to play."
Grace Semerjian

Anthony Kosmo playing the clarinet.

Nataya Rowely, Kharlyn Curtis and Grace Semerjian playing the drums in band.

"I like the challenging music the most. I also like being at the top of my group."
Samuel Sunnell

Student Life

"It was a different experience from what we do at home for rallies but it was fun to do with the student council"

- Luca Schleier

:re

Student life and spirit at Jewell School

Student life at Jewell School can range from dances, and rallies to music during lunch on Friday.With new ideas the fun is never ending . A few of the new changes that happened to Jewell were funner rallies, more school spirit and great times with classmates.

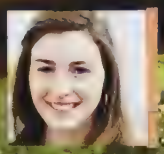
Shakespeare Trip to Ashland: Earlier in the school year some english classes went to down to Ashland for the Shakespeare Festival. There we saw the plays Julius Ceasar, Measure for Measure and The Imaginary Invalid.

Ashland Trip quotes:



"Ashland always has a way of surprising me. From its unique people and attractions to the plays, I love going to Ashland. It is the highlight of my school year."
- Jeannie DiMaggio

"The highlight of the trip for me was seeing The Imaginary Invalid. All the actors and actresses were great and funny, and I would definitely go see it once and twice."
- Sophie Hoyt
